CUSTOM SPRAY

ULTIMATE CONTROL **5 IN 1** SUPERIOR RESULTS

Rust-Oleum Custom Spray 5 in 1 allows you to choose from five custom spray patterns for ultimate control and confidence over your next project.

One can. Five ways to Spray!

Beautifies worn out projects and provides long lasting color.

Ultimate rust protection for use on indoor & outdoor surfaces.

Durable protective coating provides ultimate rust prevention for long lasting finish.

Excellent resistance to abrasion, fading, chipping and dulling.

Ideal for ferrous, non ferrous metal and wooden surfaces.

High Output

More paint. More power.

High Output spray pattern releases more paint than our standard spray. Paint large pieces and rounded edges faster.

Standard

Classic spray. Now, with a twist.

Timeless spray experience that is familiar for a variety of DIY projects. Start here for a traditional application.

Low Output

Less paint. More precision.

Low Output provides more control when painting fine, intricate details by spraying less. Great for preventing overspray and drips.

Vertical Fan

Tackle wide surfaces with ease.

Go the distance with the Vertical Fan. Spray side to side on larger surfaces for even coverage and a professional finish.

Horizontal Fan

Tackle tall surfaces with ease.

Reach new heights with the Horizontal Fan. Spray up and down on tall surfaces for even coverage and a professional finish.
