

MIRKA

DEROS II 325CV & 350CV

NextGen Sander.

Mirka DEROS II 77mm Random Orbital Sanders

The Mirka DEROS II 77mm (3-inch) electric random orbital sanders deliver compact, high-performance sanding for precision tasks. The 350CV with a 5.0mm orbit is perfect for small repairs, bumper refinishing, headlight restoration, kitchen refurbishing, and fine interior work. The 325CV with a 2.5mm orbit is perfect for spot repairs, fine finishing, and detail sanding where control and finesse matter.

Dust-Free Sanding

When connected to Mirka's dust extraction system, the Mirka Deros II 77mm ensures virtually dust-free sanding, keeping your workspace cleaner, safer, and more efficient.

- ✓ Compact
- ✓ Ergonomic
- ✓ Lightweight
- ✓ Brushless motor
